I am writing to express my concern over the recent Uber ban in South Carolina. I have enjoyed the use of Uber not only in South Carolina, but other states. I find they have fast, friendly, and effective drivers. In fact, there are numerous drivers I have spoken with that would likely be unemployed if it were not for Uber providing them the ability to make money and subsequently pay state, local, and federal taxes.

I beg you to please reconsider the ban on this highly valuable service that is greatly needed to help Greenville County and South Carolina a destination location!

Regards,
Jamie Rhyne

SC needs Uber. Don't let SC continue to be left in the dust when it comes to finding new ways to make transportation better, easier and more cost effective to the customer.

Reverse your ruling and allow uber to provide their professional service to South Carolina. A safe and secure choice.
